Dear Sirs,

I am much obliged to you for quoting prices of Haitien and St. Domingo coins, and could do with all of those described by you. If you like to send them, I will on receipt, as is my usual way, remit you the exact amount by Post Office Order. I have done considerable business with Scott Stamp and Coin Company, and Lyman H. Low, New York, also with W. S. Lincoln Son, and Spink & Son, London, to either of whom I prefer you.

I am low in rare stamps just now, but can offer New Zealand on blue paper, also postmarked proofs, if you are in want of them.

If you have a catalogue of your coins and stamps for sale, please send me one. Can

you quote coins of Ceylon, or Borneo!

Yours very truly,

Th. W. Hill.

Gentlemen,

Your letter dated May 18 and coins on approval. were sent on to me here from New Zealand.

I note that the Dollar of Henri Christophe – a coin I have been seeking for some time – was sold before my letter arrived, which is generally the way. Of the coins you send I have kept as under –

| | | |
|---|---|---|
| Dominican Republic. | 5 pieces. | 2.50 gea |
| Do | ½ 1848. Brass. | – 30 tx |
| Ceylon. | 1802. 48" | 1.25 ax |
| Do | 1802. 192". | 1 50 gx |
| Haiti. | Post registers 25 c. au. 26. | ~~25~~ tx |
| | | 6.60 |

I return the remainder of the coins, registered, also, the Dominican Republic stamps. I am not collecting South American coins.

I enclose a few stamps, and hope that you

can take them —

| | | |
|---|---|---|
| 2 New Zealand 1d on blue paper @ 75c | = | 1.50 |
| 1 Scinde District Dawk on white paper. | | 3.60 |
| | | 5.10 |

I have no unused N.Z. present issue, but if you can do with genuine post-marked fiscals let me know, also what prices you will give for same, and quantities required.

Until I get settled here I hardly know what stamps and coins I have, or what I required. I can however do with a complete set of stamps of Haiti, unused (all issues).

Yours very truly,

Thos. Wm. Hitt.
